

**A technological revolution...
...when the knowledge meets experience**

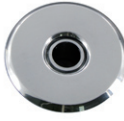

- 1/ 2 Bodies available :**
Standard body PVC
Compac body PP
- 2/ 2 O'Rings available :**
Standard O'Ring
Wall Fitting O'Ring
- 3/ 3 Wall Fittings :**
Wall fitting ABS
Wall Fitting PP
Wall Fitting PA6
- 4/ Different finishing :**
8 with eye-ball finishing available
2 with rotary finishing available

Ref	Bodies	Drawings	Technical Features
BODY	Standard  3412521002	 	Ø of drilling 24mm and 25mm with wall fitting o'ring Baths thickness from 2 to 15 mm Wall fitting threaded 22 mm 2 different connections : manifold jet to jet Existing version : open/open, left/close, right/close Very compact size jet Different colours available
	Compac  3412520032	 	

Ref	Standard O'Ring	Wall Fitting O'Ring
O'RING	 2917720001 27.3 x 2.4 NBR 70 shores	 2917250002 Silicone useless 1 to 8 mm with wall fitting o'ring
